## Our Roma Gypsy Youth Camp Ministry is Expanding!

The summer time is always a exciting time for our ministry. Four years ago, we partnered with a local Hungarian pastor to provide a youth camp for poor 'roma' gypsy children. This year our youth camp ministry grew to three youth camps. We were able to provide camps in the villages of Uzska, Aranyospati & Nojkteloja, Hungary. We had over **300** total kids in attendance and **72 accepted Christ into their hearts**. We give God praise for what he is doing in the lives of these children. We are equally excited about next year. In August of 2017 we will conduct our first youth camp in the country of Romania. This will be our fourth camp and will span into two countries. We are already raising funds to make our 2017 summer camp ministry happen. Join us by asking God to prepare the harvest and supply the seed (finances) to make it happen.

## Blessings in Bulgaria

In November of 2015, we spent 9 days in the country of Bulgaria. We conducted 7 Kid fest, 3 feeding centers and wellness distribution. It was amazing to see the kids in each village respond to the ministry. Many were blessed and saved. We look forward to returning in the future to start a summer youth camp for the children.

## Please Pray...

1. Pray for resources for those seeking truth.
2. Pray that the presence of Europe's Child Missions continues to expand. Pray that we would be obedient to follow as the Lord leads us into new fields and beyond.
3. Pray for wisdom, courage and discernment for Europe's Child Missions as we continue to bring Light to the darkness of spiritually deprived children.
4. Ask the Holy Spirit to soften hearts of the gypsies toward Christians so that they will be receptive to the Gospel.
5. Pray that financial resources will increase to help increase the expansion of this ministry.

Dear Europe's Child Missions Partner,

We are at a crucial time in our ministry. God has richly blessed us with many opportunities to minister to poor children across Europe. The pace of opportunities far outweigh the pace of funding. We ask that you join us in praying for the resources to come to match the ministry work that needs to be done. *It is the prayers and faithfulness of our financial supporters that has sustained us thus far.* **THANK YOU!**

Your monthly support is helping us shine the light into dark places where the enemy has had a foothold for many years. Today, **we** are making a difference.

Help us spread the word! Ask your friends to go to our website, look at our Face book page, or contact us directly for more information about our ministry.

**Together, we can change a generation, one child at a time.**

## "Break my heart for what breaks Yours."

I have prayed this prayer many times, but I have been challenged by the motto Pray Bold. Act Bold. A story I read once:

There were two farmers in a land that was cursed by a horrible drought. Each farmer knew that if rain did not come soon, they would be unable to provide for their families and possibly not make it through the winter months. Both farmers were Christians, so they decided to call out to God for help. The first farmer sat in his study, day after day...night after night, fervently praying. He prayed standing up, he prayed from his knees. He fasted for many days, hoping that God would hear his prayers. The second farmer also prayed fervently. He dedicated large amounts of his day to asking God to provide for his family and bring the rain. He then would go out into his fields every afternoon and work to prepare the ground for the rain he trusted would come. He worked the dry, hard soil, so that it would be more receptive to the water. He even planted some of the seeds he had, so that as soon as the rain came they would begin to grow. Looking at these two farmers, which trusted God would provide more?

The one who not only prayed bold prayers, but accompanied those prayers with bold action, trusting in the goodness and provision of the Father.

I want to be like that second farmer. I want to pray bold prayers for the kingdom. Prayers that line myself up with the heart and passions of God. I also want to live a bold life, trusting in His guidance and provision. So, when I pray "break my heart for what breaks Yours," how do I actively arrange myself to be broken by God...to fall in love with what HE loves?

I don't think there is a closer place to God's heart than when you are LOVING THE NATIONS. After all, THAT was His entire purpose in sending His Son to die on the cross...that all people of the world would know and love Him. Want your heart to ache for the same things Christ's heart aches for? Love the nations. Learn about the peoples of the world. See their pain, poverty, and heartache as well as their beauty, joy, and victories. Fall in love with culture and language. Long to feed the hungry and fight for the freedom of those in sexual captivity. Hear the cry of the homeless and orphaned.

Respond with LOVE and ACTION! May we not only be people of bold prayers, but also bold action. May we hear God's call to love the nations.
